WHITE

LG front load washers exceed Energy Star® classifications by a minimum of 39%.

WASHER/DRYER COMBO

Full Size All-in-One Washer and Dryer

Electronic Control Panel with Dial-A-Cycle™

Intuitive controls allow you to "set it and go". You can also save your favorite wash cycle by pressing Custom Program. One touch to see the wash go.

Direct Drive

Power is delivered right to the drum from the motor without belts, resulting in a highly durable, powerful and quiet washing machine.

SenseClean™ System

The water level and wash time are set automatically based on the weight and size of each load for optimal washing care.

Rollerjets™ & Forced Water Circulation

Clothes glide over the Rollerjets™ while sprinklers encourage the removal of soil, reducing pilling, fraying, and snags for longer lasting clothing.

Sanitary Cycle

Get tough stains and bacteria out of dirty clothes with this special cycle that boosts water to 167°F.

LoDecibel™ Quiet System

Anti-vibration motor and one-piece cabinet structure reduce unnecessary noises.
